

I Need A Drink
Lyric Sheet

V1:

It's been one hell of a week
How could all this shit happen to me
I lost my jobs and my car broke down
Man, I really need a drink right now

V2:

My boyfriend broke up with me
And left the house a wreck
So many bills I'd rather just forget
What a perfect way for this week to round out
Man, I really need a drink right now

Chorus:

Cause my life's been crazy
I'm losing my mind
I'm ready for the weekend
It's about damn time
To let all my problems
Fly out the door
Damn, I really need a drink right now

V3:

I lost my keys and my credit card
Lucky for me the bar ain't far
I told my story to the bartender
He said, man you really need a drink right now

Chorus

Bridge:

Pour me another, pour me another round 6x

Chorus
