

## She Ain't Me

**V1:** You need a girl  
Who won't pretend  
She gets along  
With your best friend  
Who holds your hand  
When you need it  
Not when she needs everyone  
To believe that

**V2:** You're just as happy  
As your fake smiles  
She'll always go  
the extra mile  
As long as it means  
You'll always be  
Happy

**Chorus:**  
You deserve someone  
Who's all in  
Not dancing on the barbed wire fence  
And I know that you're looking  
For a wife, not just a girlfriend  
And it's just too easy  
To keep living in a dream  
You need to wake up and see  
That that girl  
She ain't me

**V3:** Someone  
You can really talk to  
Is comfortable  
Saying "I love you"  
Who laughs at all your bad jokes  
Who will never make you feel alone

**V4:** The perfect girl  
Your mama will love  
You can take home  
And be proud of  
And show her around  
Your little town  
And she feels at home

### Second Chorus

**Bridge:**  
Never thought it'd be so hard  
Never wanted to break your heart  
But we were bound to fall apart  
But now we get a brand new start

### Third Chorus

**Third Chorus:**  
You deserve someone  
Who's all in  
Not dancing on the barbed wire fence  
And I know that you're looking  
For forever not just pretend  
And it's just too easy  
To keep living in a dream  
You need to wake up and see  
That we were never meant to be  
And that girl you're looking for  
She ain't me
